**Blue Valley ranks in top ten of digital school districts**

Blue Valley once again has been ranked in the top 10 of the Digital School Districts national survey. The honor has been announced by e.Republic's Center for Digital Education, the National School Boards Association, and *Converge Online* magazine. Blue Valley tied for eighth place among large districts in the 2009 survey.

The purpose of the survey is to showcase exemplary school districts' use of technology to govern the district, communicate with students, parents and the community and to improve district operations. The district was also recognized in 2006 and 2008 by the Digital Schools Survey.

Blue Valley is committed to using technology to help further the strategic plan goals of unprecedented academic success and unparalleled personal growth for every student.
