New assistant principal named for Oxford Middle

Oxford Middle School has hired Stephen Heinauer to fill the position of assistant principal. Heinauer has been serving as an administrative intern at Oak Hill Elementary. Prior to working at Oak Hill, Heinauer worked at Blue River Elementary as a fourth grade and multi-age fourth/fifth grade teacher. He will begin his new role Aug. 1.

Heinauer received his bachelor's degree in elementary education from the University of Nebraska-Lincoln. He received his master's degree in school leadership from Baker University.

"Stephen comes to his new position as our first elementary administrative intern and is already an important part of the Oxford Middle School community from his experience at Oak Hill," said Jim Payne, executive director of Human Resource Services.
