David Sanders has been named principal of Sunrise Point Elementary, located at 15800 Roe in Overland Park. Sanders currently serves as principal at Oak Hill Elementary.

Sanders came to Blue Valley in 1998 from the Richardson Independent School District in Richardson, Texas where he had a successful career as an elementary school teacher and principal. He has been at Oak Hill Elementary for 12 years.

“The progress and achievements made by students and staff at Oak Hill Elementary have always made me proud and I am looking forward to continuing the success enjoyed by the Sunrise Point community,” said Sanders.

Sanders received both his bachelor’s degree in elementary education and his master of education degree from the University of North Texas.

“David’s thorough understanding of Blue Valley’s programs and practices along with his wide range of administrative experience make him an ideal candidate to take over a successful growing elementary community,” said Jim Payne, executive director of Human Resources.
